CHRISTMAS 2017

WHAT MAKES US DIFFERENT AND UNIQUE AS A CITY OF LONDON VENUE IS OUR

TAILORED AND BESPOKE SERVICE

We recognise that clients are as different as the events they want to hold. That's why in addition to our packages we offer a tailored and bespoke event service. We want your event to be as you envisioned it, so tell us what you want and we will bend over backwards to deliver.

At Farmers & Fletchers In the City we work hard to be different, which is why we are equally proud of our other hallmarks that set us apart from the rest:

FARM TO FORK

Food provenance is at the heart of what we do. Where possible our meat, fish, seafood, fruit and vegetables are sourced from British farms and shores. This means that we are able to

SUPPORT BRITISH FARMING AND BRITISH BUSINESS

SEASONAL MENUS

We believe that fresh seasonal ingredients provide not only the healthiest but also the tastiest food. That is why we produce four seasonal menus each year and will tailor a menu for your event.

SURPLUS PROFITS TO CHARITY

Our clients tell us that it is the quality of our offer and the tailored service we deliver that sets us apart, thank you, we are proud to lead and not follow.
